**Welcome to Divine Mercy Parish** ~ We are pleased to have you present today and extend to you the warmest of welcomes. It is fitting that we should celebrate the Holy Mass together at our Parish, the center of our spiritual life. We ask everyone gathered here to remember this is a holy place. It is a place where the Blessed Sacrament, Our Lord present among us, is kept in the tabernacle. It is also a sacred place for prayer. Therefore, please maintain a respectful silence in the Church out of consideration for the presence of Our Lord in the Blessed Sacrament, and those who are praying. Thank you for your understanding.

**“Attitude** ~ We cannot control the wind, but we can adjust our sails.”

**For Reflection:**

When people question about whether a Priest should marry?

A better question to meditate on “Was Jesus married???”

**PRO-LIFE REFLECTION**

*From today's 1st Reading, Isaiah 35: "Say to those whose hearts are frightened: Be strong, fear not."*

Circumstances surrounding beginning/end of life could lead one to choose to end life; these practices lead to the annihilation of humanities greatest attribute which is HOPE.

**PHYSICIAN ASSISTED SUICIDE IS SUICIDE...and suicide is always a tragedy.**

Massachusetts citizens will vote on “An Initiative Petition for An Act Relative to Death with Dignity” on November 6<sup>th</sup>. If passed, Physician Assisted Suicide would become legal in Massachusetts. Bishop Timothy McDonnell, along with the bishops of Massachusetts, are asking Catholics to stand against this initiative. The Catholic Church and all major religions have always taught that assisted suicide is wrong. The American Medical Association, The American College of Physicians and the Massachusetts Medical Society all oppose this measure. Advances in pain management allow doctors to ease the suffering of patients who are dying. The Bishops are asking Catholics to educate themselves and their families; to pray about the issue; and to visit and comfort the sick. And let us remember to words Blessed Pope John Paul II wrote in *Evangelium Vitae*: *“Causing death’ can never be considered a form of medical treatment, even when the intention is solely to comply with the patient’s request. Rather, it runs completely counter to the health-care profession, which is meant to be an impassioned and unflinching affirmation of life.”*

BACK TO SCHOOL

A student called up his Mom one evening from his college and asked her for some money, because he was broke.

His Mother said, "Sure, sweetie. I will send you some money. You also left your economics book here when you visited two weeks ago. Do you want me to send that up too?"

"Uhh, oh yeah, O.K." responded the kid.

So his Mom wrapped the book along with the checks up in a package, kissed Dad goodbye, and went to the post office to mail the money and the book. When she gets back, Dad asked, "Well how much did you give the boy this time?"

"Oh, I wrote two checks, one for \$20, and the other for \$1,000."

"That's \$1020!!!" yelled Dad, "Are you going crazy???"

"Don't worry hon," Mom said, kissed Dad on the top of his bald head, "I taped the \$20 check to the cover of his book, but I put the \$1,000 one somewhere between the pages in chapter 15!"
