**Welcome to Divine Mercy Parish** ~ We are pleased to have you present today and extend to you the warmest of welcomes. It is fitting that we should celebrate the Holy Mass together at our Parish, the center of our spiritual life. We ask everyone gathered here to remember this is a holy place. It is a place where the Blessed Sacrament, Our Lord present among us, is kept in the tabernacle. It is also a sacred place for prayer. Therefore, please maintain a respectful silence in the Church out of consideration for the presence of Our Lord in the Blessed Sacrament, and those who are praying. Thank you for your understanding.

### RETIREMENT DINNER

A priest was being honored at his retirement dinner after 25 years in the parish. A leading local politician and member of the congregation was chosen to make the presentation and give a little speech at the dinner.

However, he was delayed, so the priest decided to say his own few words while they waited: 'I got my first impression of the parish from the first confession I heard here. I thought I had been assigned to a terrible place. The very first person who entered my confessional told me he had stolen a television set and, when questioned by the police, was able to lie his way out of it. He had stolen money from his parents, embezzled from his employer, had an affair with his boss's wife, and had taken illegal drugs. I was appalled. But as the days went on I learned that my people were not all like that and I had, indeed, come to a fine parish full of good and loving people.'

Just as the priest finished his talk, the politician arrived full of apologies at being late. He immediately began to make the presentation and gave his talk:

'I'll never forget the first day our parish priest arrived,' said the politician. 'In fact, I had the honor of being the first person to go to him for confession.'

Moral: Never, Never, Never Be Late !
