**Welcome to Divine Mercy Parish** ~ We are pleased to have you present today and extend to you the warmest of welcomes. It is fitting that we should celebrate the Holy Mass together at our Parish, the center of our spiritual life. We ask everyone gathered here to remember this is a holy place. It is a place where the Blessed Sacrament, Our Lord present among us, is kept in the tabernacle. It is also a sacred place for prayer. Therefore, please maintain a respectful silence in the Church out of consideration for the presence of Our Lord in the Blessed Sacrament, and those who are praying. Thank you for your understanding.

We are so blessed to have the Blessed Sacrament exposed for 18 yrs. now. The Blessed Sacrament can't be exposed unless a person is willing to sacrifice 1 hour. Will you be that person??? If you can substitute or commit to a specific hour, for information please contact Diana Roth @ 283-8709. We need your help!

God will not be outdone in generosity!

**"Looking for a good GPS?**

**God Provides Salvation, He gives the right direction."**

### **For Reflection:**

"We better get used to each others faults,  
because we never know who our neighbor will be in heaven.

### **PRO LIFE REFLECTION**

Luke 10: ***"Martha, burdened with much serving..."***

Be careful to not let the burdens of serving hide the true needs of those we serve.

The Pro-Life Movement now has the **Reproductive Research Audit** under the direction of Jacqueline C. Harvey, Ph.D. Dr. Harvey earned a degree in public administration from the University of North Texas in 2012 & serves as an adjunct scholar at the Charlotte Lozier Institute. She pours over the abortion lobby's data to check for errors, misuse of data, & invalid conclusions that pro-abortion legislators often use when adopting legislation. Although the **Reproductive Research Audit** does *not* have a \$14 million a year budget like the Guttmacher Institute, Dr. Harvey is hopeful that "The truth will win out." Please pray for God's blessings upon this new group!

JOKES PRINTED ON THIS PAGE ARE ONLY MEANT AS A FORM OF HUMOR AND ARE NEVER INTENDED TO OFFEND ANYONE.

Two robins were sitting in a tree.

"I'm really hungry," said the first one.

"Let's fly down and find some lunch."

They flew down to the ground and found a nice plot of newly ploughed ground that was full of worms. They ate and ate and ate till they could eat no more.

"I'm so full, I don't think I can fly back up into the tree," said the first one.

"Let's just lay back here and bask in the warm sun," said the second.

"Okay," said the first.

So they plopped down, basking in the sun. No sooner had they fallen asleep, when a big fat tomcat came around and gobbled them up.

As the cat sat washing his face after his meal, he thought...

"I just LOVE Baskin Robins."
