**Welcome to Divine Mercy Parish** ~ We are pleased to have you present today and extend to you the warmest of welcomes. It is fitting that we should celebrate the Holy Mass together at our Parish, the center of our spiritual life. We ask everyone gathered here to remember this is a holy place. It is a place where the Blessed Sacrament, Our Lord present among us, is kept in the tabernacle. It is also a sacred place for prayer. Therefore, please maintain a respectful silence in the Church out of consideration for the presence of Our Lord in the Blessed Sacrament, and those who are praying. Thank you for your understanding.

**For Reflection:**

“We better get used to each other’s faults,  
Because, we never know who our neighbor will be in heaven.

***PRO LIFE REFLECTION***

Luke 14: ***“If anyone comes to me without hating his father and mother...and even his own life, he cannot be my disciple.”***

On 9/11 the flyers of those planes did this for their leader but we hold truths to be self-evident such as the respect for life, all men are created equal, the unalienable right to life and no greater love than to lay down one’s life for another .

A psychologist, an engineer, and a theologian were on a hunting trip in Canada. Seeking shelter, they knocked on the door of a small, isolated cabin. No one was home, but the front door was unlocked, and they entered.

They saw something strange. A large, pot-bellied, cast iron stove was suspended in midair by wires attached to the ceiling beams. Why would a stove be elevated from the floor?

The psychologist concluded: "It is obvious that this lonely trapper, isolated from humanity, has elevated his stove so that he can curl up under it and vicariously experience a return to his mother's womb."

The engineer theorized: "The man is practicing laws of thermodynamics. By elevating his stove, he has discovered a way to distribute heat more evenly throughout the cabin."

The theologian speculated: "I'm sure that hanging his stove from the ceiling has religious meaning. Fire lifted up has been a religious symbol for centuries."

While they were debating the matter, the trapper returned. They immediately asked him why he had hung his pot-bellied stove by wires from the ceiling.

"Had plenty of wire, not much stovepipe," the trapper said.
